THE EXTRA "QUALITY SALE"

Where else in North America can you find four greater herd bulls than the four pictured above which are currently in use at Colomeadow Farms. The improving blend of these great sires make this one of the top sale offerings of the decade.

Welcoming Shorthorn breeders and friends to their 1967 Colomeadow Sale are left to right, Mr. & Mrs. (Judy) Connie Bob Shuman, John & Bonnie Shuman and Mr. & Mrs. (Mary Ann) Ronnie Shuman.

A hearty welcome to our 1967 Colomeadow Sale. It gives us great pleasure to invite you to this year's event. Never before have we offered so many females that we should be keeping. Our operation is on the verge of a change and until this is accomplished we are cutting down on the work load. Consequently, the buying opportunities will be greater than ever in this "Extra Quality" Colomeadow Sale.

The Colomeadow herd sire battery has never been in strong position. With bulls like Acadia Napoleon 66th, Louada Peerless, Colomeadow Control and Remitall Banner in service, we can offer you a blend of proven bloodlines that, many tell us, are the strongest in North America.

We think you'll like what you see at Colomeadow... both in the sale and in our pastures. Regardless of your intentions to buy or to look... you are most cordially welcome.

John Shuman

We Cordially Invite You  
To Our  
Informal Social Hour

AT THE HOME OF

*John & Bonnie Shuman*

At the Byers farm unit

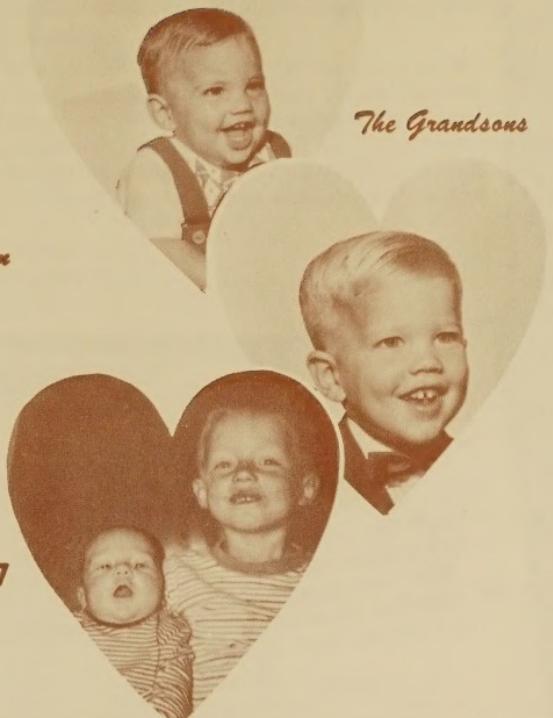

**BYERS, COLO.**

4 to 6 p.m.

**SUNDAY, NOV. 12, 1967**

Come as you are

*The Grandsons*

John and Bonnie Shuman accept the K C Challenge Trophy from Patricia and David Lorenz of K C Shorthorn Farms, Kansas City, Missouri for having shown the winning junior heifer at the 1967 National Western.

I have been servicing Shuman Shorthorns for over 15 years and can verify that the health of this herd is excellent. Good management and preventive medicine come first. All animals offered will be Bang's tested or vaccinated and T. B. tested. Interstate health charts will be furnished and this sale offering will be eligible to travel anywhere.

S. F. Hanks, D. V. M.  
Strasburg, Colo.

My Dear John:

Evelyn and I have had a most pleasant stay with you and a most interesting look at your beautiful cattle. You have what, I believe, we all try to achieve: overall size, deep fleshing and good conformation. If I may refer to one thing in particular it would be the magnificent spring of rib of your cows.

We will return to Australia with most pleasant memories of your family and your good cattle.

I wish you well in the future.

Sincerely,  
Sir William McDonald, Speaker,  
Victorian Legislative Assembly,  
Melbourne, Australia.

### THE SHUMAN GUARANTEE

Every animal in this catalog is honestly described and accurately illustrated. Each purchase you make must live up to everything we have promised for it and it must give you the service you have a right to expect.

If any animal purchased from Colomeadow does not meet these standards, you may return it. According to your instructions, we will refund your money (or credit your account), including any transportation charges you have paid, or will replace the purchase or do anything we can to make YOU a satisfied customer.

# Information . . .

## SALE TIME

12:30 P. M. (M.S.T.)

## AUCTIONEER

Dick Kane, Wisner, Nebraska.

## LOCATION

At Colomedow Farms, Inc., one-half mile West of Byers, Colo. (See map below.)

## TELEPHONE

Call Byers, Colo., Area 303, 822-5300. Utilize this number prior to or during the sale. Someone will be present at all times.

## LUNCH

Will be available on sale day. Lunch time is 11:30 (M.S.T.)

## HEADQUARTERS

At the Holiday Inn, 13800 E. Colfax Ave., Aurora, Colo. (Phone 364-2671). Please MAKE YOUR RESERVATIONS DIRECT: Mark them "Shuman Shorthorn Sale. If you come by plane, avail yourself of the Holiday's Limousine Service. Or if coming from the East we recommend the Longhorn Motel at the intersection of Interstate 70 and Highway 36 at Byers. This is a brand new motel with fine dining room facilities. Other motels - on Highway 40, the Safari Motel or Midwest Hotel, Limon, Colo., the Trail Motel, Deer Trail, Colo. or if coming from the East on Highway 36, the Cabin Creek Motel, 9 miles north of Deer Trail. Or if coming from the west the Double E Motel at Strasburg, Colo. Or if you prefer to stay in Byers, the Pleasant Manor Motel.

## TRANSPORTATION

We will be pleased to assist in transportation--please advise us in advance so you will not be inconvenienced. From: the Denver Hilton (if you prefer to stay there); Stapleton Field in Denver; the Holiday Inn at Aurora; the Union Station in Denver; the Burlington at Ft. Morgan; the Rock Island and Union Pacific in Limon.

## TERMS OF SALE

CASH: All settlements must be made with clerk before cattle are moved from the farm.

## HEALTH

Official vaccination for Bangs disease has been practiced in the John F. Shuman and Sons' herd. T.B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 30 months of age. Every lot will comply with the health regulations of any state.

## GUARANTEE

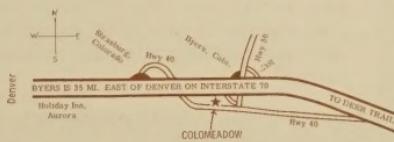

All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Association printed elsewhere in this catalog. Shipment will be made as soon as possible. Cattle are at the buyer's risk as soon as sold, but every care will be given until shipment is made. To avoid confusion, hand shipping instructions to clerk along with accurate information as to whom the pedigree is to be transferred.

## LIABILITY

The guarantee will constitute a contract between the buyer and seller of each lot. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the cattle selling nor any of their representatives, nor auctioneers, clerks or any other affiliated personnel can assume any liability for accidents.

## SALE MANAGER

Bill Stunkel, The Shorthorn World  
1228 N. Nye Avenue  
Fremont, Nebraska

# DELIVERY

COLOMEADOW IS AGREEABLE TO KEEP ALL SALE CATTLE A REASONABLE TIME AND TO ASSIST IN KEEPING DELIVERY COSTS AT THE LEAST POSSIBLE EXPENSE TO THE BUYER. INSURANCE FROM DATE OF SALE IS THE RESPONSIBILITY OF THE BUYER AND WILL BE AVAILABLE AT THE SALE.

## The Colomeadow Family...

is anxious to make your visit here as enjoyable as possible. Call upon any one or all of us for concerned assistance--John and Bonnie Shuman, Connie Bob and Judy Shuman, Ron and Mary Ann Shuman at the Deer Trail Ranch.

## Come Early To See The Cattle

Come anytime, of course. Especially so, early on Sunday, November 12. There will be informed personnel at the Byer's farm to show and talk about the cattle selling. There's a modern, new restaurant -- The Longhorn -- Byers and we know your party would enjoy Sunday dinner there.

### AND THE COW HERD, TOO!

The cow herd is maintained on native grass at the Deer Trail unit. Stop there on your way to the sale (1 mile West and 4 miles South of Deer Trail) or make it a part of your Sunday schedule. You will want to see Dams of sale cattle and verify our oft-stated belief that cow herds should be uniform, have size and be practically-maintained!

Included will be two registered heifer calves.

JOHN SHUMAN & SONS, Byers, Colorado. ----- 3 head

# LOIN-UP YOUR HERD!

INTERNATIONAL AGRIBUSINESS SERVICES

Area Code 312 • 748-2038

Box 293, Park Forest, Illinois 60466

September 21, 1967

Mr. John Shuman  
Colomeadow Farms  
Byers, Colorado

Dear Mr. Shuman

As you can see from the enclosed data, you have some outstanding ribeyes in your herd. Fortunately this includes your Herd Bulls, all of which were good. Louada Peerless and Acadia Napoleon 66 were outstanding.

There are also some excellent ribeyes among your young bulls with Colomeadow Peerless Jr. showing an extremely good reading.

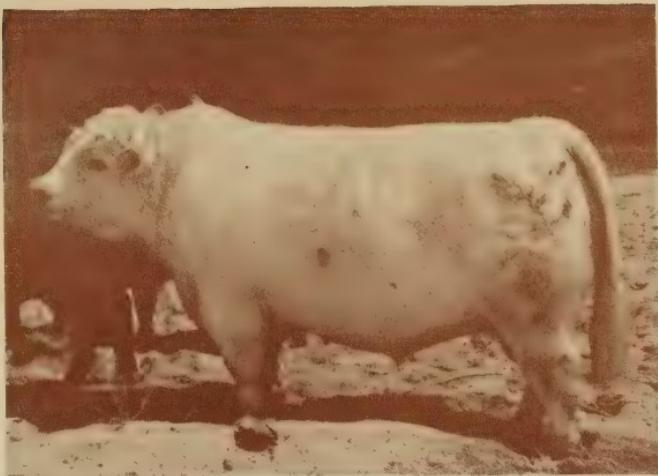

As you know the heritability of this trait is very high. Considering the variation in the bulls read you should be able to make rapid progress from your already good position. This same variation however would indicate doing some work on the cow's side particularly as regards replacement heifers.

We did not have an opportunity to discuss the progeny testing further, even though Ron and I did discuss it some. If I can be of assistance in this or any other way please let me know.

Very Truly Yours

R. Harold White

Look at the great rear quarter and the thickness of forearm on Acadia Napoleon 66!....both are indicative of muscling and more red meat.

## THE SONOSCOPE SCORES ON OUR HERD SIRES!

	Actual fat thickness in inches	Unadjusted fat thickness per 100 lbs. of carcass in inches	Actual ribeye area in square inches	Adjusted ribeye area in square inches	Adjusted ribeye area per 100 lbs. of carcass in inches
Acadia Napoleon 66	.36	.036	19.81	14.06	2.34
Remitall Banner	.48	.061	14.28	14.46	1.91
Colomeadow Control	.50	.049	18.83	12.77	2.13
Louada Peerless	.36	.036	19.04	13.53	2.26

1. Ribeye area (cross-section of Longissimus dorsi muscle at 13th rib) adjusted to 1000 pounds live weight equivalent.

2. Assuming a 600 pound carcass from a 1000 pound live animal. An excellent ribeye reading is 2.00 square inches or greater per 100 pounds of carcass weight.

3. Fat thickness is measured over the ribeye muscle at the 13th rib at a point of 4 inches off the centerline of the body.

1967 HOUSTON LIVESTOCK SHOW & RODEO

COLOMEADOW NAPOLEON 14th - grand champion bull at the 1967 Houston Exposition for John Shuman & Sons.

## SHUMAN SHORTHORNS WIN!

If you base your herd replacing selections on show-ring excellence, then Colomeadow Shorthorns should appeal. Colomeadow bulls and females have won championships at the 1967 National Western, Houston Exposition, Dixie National, Colorado State Fair, Wyoming State Fair. In addition the Dave Mathias heifer that has won 8 grand championships on the state fair circuit this year is out of a Colomeadow cow. In the last 20 months Colomeadow Shorthorns have won nearly 100 championships at major shows and sales. WHAT OTHER HERD IN NORTH AMERICA HAS DARED TO EXPOSE THEIR CATTLE SO EXTENSIVELY OR HAS ENJOYED SUCH GREAT SUCCESS IN COMPETITION WITH THE BEST IN THE LAND.

#### **COLOMEADOW STING RAY**

The first Shorthorn bull to be certified by Performance Registry International as a Certified Meat Sire. This 1964 Western Shorthorn Ass'n record seller at \$5,600 is owned jointly by Dale Petty, Eldora, Iowa, and Armour & Co. of Illinois. The Sting Ray calves...with only 13 to select from...surpassed P.R.I. standards as to ribeye, minimum fat thickness and carcass weight per day of age.

# **P. R. I. CERTIFIED!**

Colomeadow Shorthorns are leaders in many divisions.... Herd Classification, Sonoscopying, Weighing and Grading, Showing and in Performance Registry International work. The first two Shorthorn bulls to be P.R.I. Certified carry the Colomeadow prefix.

Colomeadow Sting Ray was the breed's first Certified Meat Sire surpassing P.R.I. standards as to rib eye, minimum of fat thickness and carcass weight per day of age.

Colomeadow Silver Star, used successfully by Peg and Arch Allen, Livingston, Montana, and now owned by Harry Maughn, Ronan, Montana, and Glenn Vergeront, Polson, Montana, is the only Shorthorn bull to qualify for Progeny Registry in P.R.I. His calves averaged 519 pounds at 205 days of age. His get were first at the 1967 Montana State Fair where a son was champion and top-seller in the Sweepstakes Sale and a daughter was top-selling female.

**JUST MORE PROOF THAT COLOMEADOW SHORTHORNS  
ARE LEADING THE BREED IN CARCASS EXCELLENCE  
AND QUALITY.**

Bonnie and John Shuman keep their myriad records up to date.

**ASK YOURSELVES IF YOU CAN AFFORD NOT TO HAVE  
COLOMEADOW BLOODLINES.....**

There are many things that impress me about the Colomeadow program other than the great warmth and enthusiasm of its owners.....

...its vision in having its bulls sonoscoped.

...the record of Colomeadow Shorthorns under Performance Registry International testing.

...its unexcelled success in the showring---nearly 100 championships at Shows and sales in the last 20 months.

...its willingness to support breed auctions.

...its great Herd Classification results---two "AAA" sires and three "AAA" cows and 128 "AA" cows....50 more "AA" cows than a year ago.

...the bred-in thickness and easy fleshing qualities of its cattle.

...the milking and foraging ability of Colomeadow cows which averaged 1,205 lbs. at weaning time off the range.

...its carefully throughout program of matings.

**BUT, THE MOST IMPRESSIVE ASPECT HAS BEEN THE  
SUCCESS OF COLOMEADOW BULLS AND FEMALES IN THE  
HERDS OF OTHERS.**

Have you ever noticed how many Colomeadow customers are repeat buyers in sale after sale? This can only mean satisfactory results. In all my travels, I can honestly say that Colomeadow cattle are universally doing a top job in the herds of others.

Remember, too, Colomeadow is the only herd in North America that has both the blood of Louada Rothes King and Acadia Napoleon 66th...the two sires whose progeny reigned at the 1966 International. What a blood-blend this should be!

No herd has done more to take the guesswork out of its bloodlines for new buyers than has Colomeadow.

Every Shorthorn breeder in North America, intent on finding the best seedstock, owes it to himself to attend this sale. The buying opportunities have never been greater. This sale can make your improvement efforts more successful.

BILL STUNKEL  
Sale Manager.

Another view of a few of the great cows in the Shuman herd....the kind offered in this sale.

ACADIA NAPOLEON 66TH - One of the few "AAA" bulls in the United States and certainly one of the most successful sires of champions and first prize winners. His progeny have won at the major shows all across the land including the 1966 International bull grand championship and second-prize get, the 1967 National Western Bull Grand Championship, first-prize junior get and second-prize senior get. He is the only bull to have had two senior gets nominated for All-American honors the same year...the 1966-67 Acadia and Colomedow gets.

His progeny have averaged well over \$1,000 and includes the National Western record selling bull. His dam is a half sister to the great International interbreed grand champion, PS Troubadour. We own this bull in partnership with Acadia Farms, Northfield, Ohio, and M. A. "Buddy" Rambo, Temple, Texas.

## HIS INTERNATIONAL AND NATIONAL WESTERN GRAND CHAMPION SONS!

Betty Royon and Truman Kingsley of Acadia Farms hold Acadia Napoleon 200d by Acadia Napoleon 66th. This bull was junior and grand champion at the 1966 international.

Colomeadow Gem Dandy, junior and grand champion at the 1967 National Western for Colomeadow and Chuck-O-Luck Farms, Boulder, Colo. Chuck-O-Luck purchased a two thirds interest in our 1966 sale for \$5700.

Above is an amateur picture of Louada Peerless, our other "AAA" bull that is doing such a good job. On the opposite page is one of his first calves and you can see why we are so excited about this young sire.

LOUADA PEERLESS - This sale will contain 8 sons and 13 daughters of Louada Peerless.... your first chance to buy Peerless progeny in numbers. He gives us the Louada Rothes King-Acadia Napoleon 66th cross....this embodies the two most successful bloodlines at the 1966 International. We think our customers will like his size, sound legs and breedly head. We went to the top price of the 1963 Louada Sale to own this bull and we have never been sorry.

The fabulous Colomeadow Control. More ranchers admire this bull than any other in our sire battery and he is truly one of the most underrated bulls of the breed. His great length, bone, overall thickness, and sound legs are being passed on to his progeny. Control is also pictured on the opposite page. Few bulls move as well as does this successful sire.

REMITALL BANNER - This most talked about young bull to be seen this year. Purchased at the Canadian International, where he was champion, in partnership with Davison Ranch, Elizabeth, for \$8,000. Originally slated for herd sire duty at Remitall. Ruby Constance was the reserve champion at the 1959 Toronto Royal, Montana State Fair and reserve champion at the 1963 Calgary National show. She has a lot of size, thickness and substance and has passed this on to Banner. Last but not least, Banner is by the praiseworthy Kelburn Great Event now being used successfully at KC Shorthorn Farms, Kansas City, Missouri.		

REMITALL BANNER as he looks on pasture after running all spring and summer with a group of heifers. His service will be a feature of this sale.

July 17, 1967

John Shuman  
Box 296, Byers  
Colorado, 80103

Dear John,

Just a line to let you know that Banner's first two calves look like real knockouts. We have a white bull calf out of a white Constance cow by Kelburn Great Event and out of Banners, grandam. This is a very tightly bred calf. The other calf born this morning is out of a Kelburn Great Event, Clara cow. This is a sensational dark roan heifer calf.

We won all the bull classes, group classes and one female class at the National Show at Calgary. Our champion bull, (was also supreme champion) is Remitall Ideal Mint by Remital Choice Mint and out of Banner's full sister Remitall Constance Jewell.

These cattle seem to stand all kinds of line breeding or in breeding which pleases us a lot.

Sincerely,

Louis Latimer

COLOMEADOW TRIADIC - Out favorite of the sale bulls. His dam is a "AA" cow from the famous Minerva Family that produced \$11,200 worth of bulls in our 1966 sale. Minerva Starlet is the dam of the \$5,700 National Western grand champion Colomeadow Gem Dandy. This family also produced the \$2,500 Colomeadow Peerless 2d now in service at Dick Heckendorf's, Kersey, Colorado; the \$1,675 Colomeadow Control 7th, owned by Dale Gilmore, Throckmorton, Texas, and the \$1,325 Colomeadow Ultimate, used by Gordon Schuppe, Iliff, Colorado. This bull has a 2.03 square inch adjusted loin eye per 100 pounds of carcass weight.

THE  
PEERLESS  
CONTROL  
CROSS

Minerva Starlet, grandam of Colomeadow Triadic. It is easy to see why this cow is ranked as one of the best of the breed.

Lot 1, Colomeadow Triadic, embodies a blending of blood for which we have been striving. Bound to be a great breeding bull.

COLOMEADOW GEM DANDY.... Junior and grand champion bull at the 1967 National Western. He is a son of Minerva Starlet and closely related to Colomeadow Triadic. Gem Dandy sold for \$5,700 in our 1966 as a calf.

This is the \$2,500 Colomeadow Peerless 2nd, purchased in our 1966 sale by Dick Heckendorf. Like Colomeadow Triadic he is by Louada Peerless and out of famed Minerva Family.

COLOMEADOW PEERLESS, JR., Lot 2 and COLOMEADOW MALIBU, Lot 6, in this sale. A great pair of prospective breed improvers.

COLOMEADOW PEERLESS, JR. - We recommend this bull most highly since he is out of Colomedow Control's dam and is also the dam of Colomedow Napoleon 10th, the \$4,200 bull purchased last year by Willard and Joan Hartley. He is strong in the blood of Calrossie Mercury which is regaining its popularity because of its association with easy fleshing and rapid gainability. This bull had an adjusted 200-day weaning weight of 509 pounds. He has an impressive 2.60 square inch adjusted rib eye per 100 pounds of carcass weight.

COLOMEADOW SNOWSOMO - Out of the "AA" SSF Victoria Louise. He is a full brother to Colomeadow Snowstorm, pictured below when he won the championship at the 1965 Ak-Sar-Ben National Sale and sold for \$2,350 to Doug and Nancy Dear, Simms, Montana. Snowstorm is doing a great job and this bull has equally great breeding potential. We missed getting a sonoscope reading on this bull for some unknown reason but it should be as impressive as the other readings.

COLOMEADOW ELIZA STARLET, an "AAA" female in our herd and the dam of Lot 4, Colomeadow Star of the 66th. That's her 1967 bull calf.

COLOMEADOW HIGH CALIBER - Out of an "AA" cow. His grandam produced Colomeadow Napoleon 9th, the fastest gaining bull in our sale last year that sold for \$1,250 to Carl Retzlaff & Sons, Walton, Nebraska. High Caliber has an adjusted weaning weight of 504 pounds at 200 days of age. His rib eye reading, 1.64 square inches per 100 pounds of carcass weight.

Colomeadow Napoleon 9th that sold to Carl Retzlaff & Sons in last year's sale. He had a 3.29 lbs. per day gain up to a year of age.

Colomeadow Belle 19th, grandam of Lot 5. Note the great udder and overall size and thickness of this matron. Lot 5 will carry these same characteristics.

COLOMEADOW ADVOCATE - Out of an "AA" cow. The Orange Maids have given us more good cattle than any family we have. Bulls produced by Orange Maid cows have been the \$1,450 Colomeadow Control 8th owned by John Otten, Lewistown, Montana; \$975 Colomeadow Sentinel, Harold Hadden, Castana, Iowa; \$825 Colomeadow Majestic, Carl Summers, Crook, Colorado, Colomeadow Torpedo owned by Kuhrt Farms, Edson, Kansas; Colomeadow Baron, Milton Dietz, Wakeeney, Kansas and others. An estimated rib eye of 1.80 square inches per 100 pounds of carcass weight.

The impressive three-bull group of the 1966 show season for John Shuman & Sons. Shuman bulls have won high honors at every regional and national event at which they have appeared. When a herd rates so high in competition with other top herds in the land, you know they have that "extra quality".

COLOMEADOW MANDATE - Also out of an "AA" cow that produced Colomeadow Prophet that sold in our 1965 sale to Wahls Brothers, St. John, Kansas, George Ball, Pierce, Colorado, bought Colomeadow Ambassador last year out of a maternal sister. Adjusted rib eye of 2.06 square inches per 100 pounds of carcass weight.

A few typical Shuman-bred bulls that are being developed for range and small-breeder trade. This sale always contains a number of bulls purposely included to appeal to this segment of the fast-growing Shorthorn Registered and Commercial business.

# THE NEXT 16 BULLS

## ARE CALVES . . .

Each year Colomeadow offers some of its best bull prospects in calf-hood form. Last year's bull calf offering produced the 1967 National Western, Colorado and Wyoming state fairs grand champions. This year's offering contains even more of our VERY BEST.

Colomeadow Gem Dandy, 1967 National Western grand champion. A two-thirds interest in this 7 months old calf was purchased by Chuck-O-Luck Farms, Boulder, Colo., for \$5,700 in last year's sale.

Colomeadow Coliche, another son of Acadia Napoleon 66th that sold as a calf last year for \$2,350 to Dick Hecken-dorf. This bull developed into the 1967 Colorado and Wyoming state fairs champion. We have since repurchased an interest.

ELMCREST ROSEWOOD PEACH 3rd - the latest "AAA" classifying cow in our herd.  
Purchased for \$2,050 in the 1966 Sangamon District Sale. Lot 12 is a son.

Ringwell Lady Dora 2534935  
Red, Ringwell Farms

COLOMEADOW PRINCE - Out of a big, roomy "AA" cow. The Control-Lodestar cross has given us some of our best producing bulls. One of five Control sons to sell in this sale.

Below are a few of the bull calves offered last year as they looked on sale morning.  
This year's group is even better.

COLOMEADOW CAMERO - A full brother to Colomeadow Mustang that sold as a calf in our 1966 sale for \$900 to James and Larry Wright, Okeene, Oklahoma. His dam has produced over \$22,000 worth of calves for us including a \$1,275 heifer in last year's sale going to Davison Ranch. Colomeadow Fanfair, American Royal reserve grand champion and \$6,000 top of our 1965 sale is also a full brother. Colomeadow Belle 10th is a 1,400 pound "AA" cow.

LINING THEM UP! Here a group of thick, heavy rumped Shuman bulls get the final touches before entering the 1966 sale ring. This year's sale is filled with "extra quality" sire prospects.

DRC EUCLID - A son of Colomeadow Whizzer, purchased in the 1964 Western Sale, that has done a good job for us. His dam is a daughter of Colomeadow Control.

Some of the good heifers that sold in our 1966 Sale.

## OUR FEMALE OFFERING . . .

We are proud of our bull offering and equally pleased to present such a strong female consignment. This is the BEST group of females we have ever offered. Included are 10 "AA" cows. Colomeadow females are within the price range of everyone. Look at the following table.....

### NUMBER OF FEMALES SOLD IN THE FOLLOWING PRICE RANGE.

	1966	1965	1964
\$1,000 and over	3	0	5
\$900 to \$999	2	1	0
\$800 to \$899	2	1	3
\$700 to \$799	4	2	1
\$600 to \$699	7	4	11
\$500 to \$599	4	5	14
\$400 to \$499	13	12	14
\$399 and less	14	13	7

Quality considered, the greatest annual female bargains are in our sales. Especially if you consider that the above prices include cows with valuable calves at foot and the matings to, what we feel, is the strongest herd bull battery in North America.

Another view of the good females that sold in our 1966 sale. What other Production Sale offers so many of its very best each year?

FONTANA CLIPPER MAID - You have to put this "AA" cow on the scale to really appreciate her. She was the top of a Von-Ber-Mar sale at \$2,500 and we have two of her daughters in our herd. Her dam was a National Western grand champion. She is the dam of Colomeadow Clipper Chief, owned by Muddy Creek Shorthorns, Deer Trail, Colorado, and of Colomeadow Clipper King, owned by Abbott Ranch, Kiowa, Colorado. She is also the grandam of the 1966 National Western grand champion, Colomeadow Napoleon 5th.

COLOMEADOW LADY BLOSSOM - A strong Mercury-Royal Leader Pedigree when you go back into the third generation. If you think our footnotes on these heifers are a little sketchy it is only because we have been so busy that we have not had a good chance to "score" a lot of these.

Mark Tracy, Boulder, Colo., with two of the good heifers in his herd. Mark, like many other junior breeders, has found that a Shorthorn project can not only be highly profitable but can be the basis for a lot of purple ribbons. Mark was a 1966 National 4-H Beef Winner with his Shorthorn projects. Lot 79 is from the Tracy herd.

They came from all over the country to attend the 1966 Colomeadow Sale.

Won't you join us this year? This will be an "extra quality" offering selected to give our old and new customers the VERY BEST in breeding and value.

## STANDARD GUARANTEE

1. A - Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.

F - All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G - Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

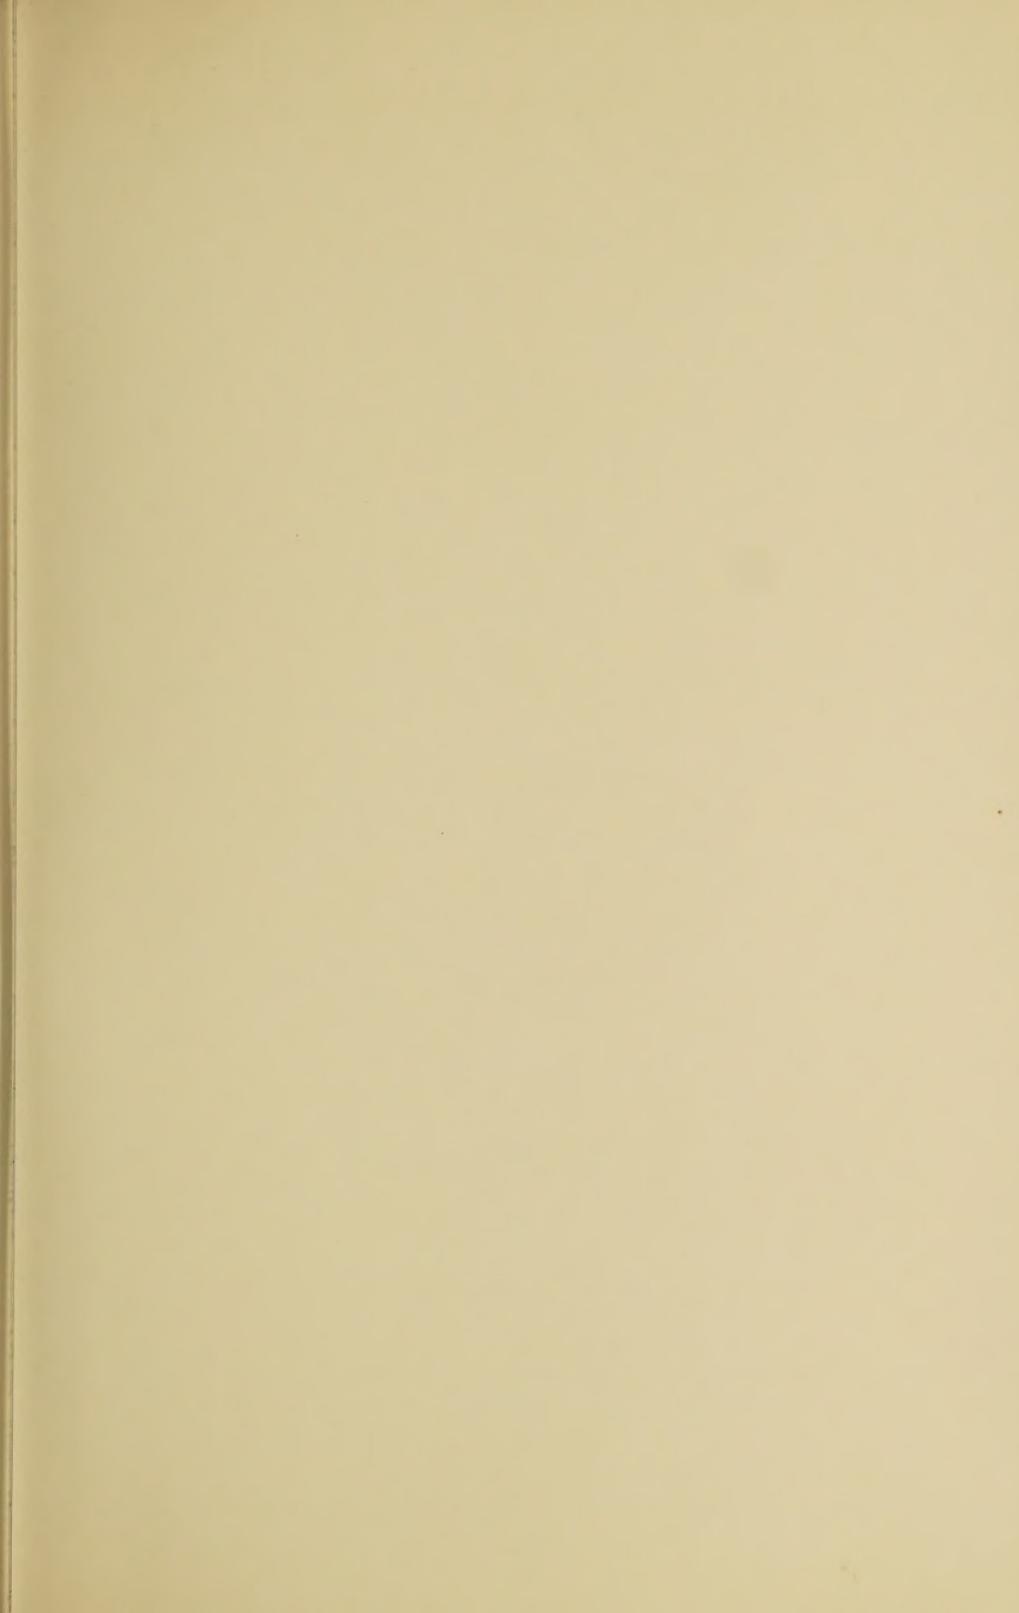

2. SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BESURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

3. INSURANCE: Coverage may be secured at the time of sale.
